

HER SAFE

WOMEN'S SAFETY TECHNOLOGY PLATFORM

PRE-SEED INVESTOR OVERVIEW

Pre-Seed Round · \$100,000 USD · €100,000

MISSION

Helping women stay safer, feel supported, and access critical resources before, during, and after potentially dangerous situations.

THE PROBLEM

Millions of women face safety concerns every day. Existing safety tools are fragmented, reactive, and difficult to access in the moments they are needed most.

THE SOLUTION

HerSafe unifies emergency SOS alerts, trusted contact notifications, safety check-ins, location sharing, curated resources, and AI-powered emotional support into one elegant mobile platform.

KEY FEATURES

Emergency SOS Alerts

Trusted Contact Network

Real-Time Safety Check-Ins

Live Location Sharing

Amanda AI Emotional Support

Community Support Platform
